

17th Annual Mine Safety and Health Conference October 25-27, 2021 • South Point Hotel, Casino, and Spa, Las Vegas, Nevada

SPONSORSHIP OPPORTUNITIES

The Annual Mine Safety and Health Conference is the premier forum to reach safety and health professionals within the western states mining community. This annual event would not be possible without the generous support we have received through conference sponsorships. These funds are used to provide for program elements, to attract top-level keynote speakers, and for all of the “little things” that help us provide a high-quality conference experience for our attendees. For the 2021 conference, we are offering exhibitors and corporate sponsors the following opportunities to augment your company’s recognition during the conference:
